Action Chosen: Lightweight Rogue Armor

🔥 **You can't fight if you're dead.** Speed and stealth are your best weapons—you need armor that won't slow you down.

You tap the counter.

Joel: *"Something light, but durable. No bulk."*

The arms dealer **nods, pulling out a sleek, matte-black combat suit.**

📖 **ITEM: SHADOWWEAVE TACTICAL ARMOR**

- ◆ **Lightweight** – No movement penalty.
- ◆ **Reinforced** – Can absorb some damage.
- ◆ **Mana-resistant** – Reduces the impact of magic attacks.

🔥 **A rogue's perfect defense.**

Action Chosen: Track Down Allies

🔥 **If Kain is sending Hunters after you, you can't fight alone.**

You turn to Dante and Naomi.

Joel: *"We need allies. People who won't sell us out."*

Dante **nods, cracking his neck.**

Dante: *"I know a few names. But they won't help for free."*

Naomi **scrolls through her contacts.**

Naomi: *"I might have someone too. But... he's unpredictable."*

💀 **Every Hunter you recruit changes the fight. Choose wisely.**

POTENTIAL ALLIES

- ◆ □'The Ghost' – A rogue assassin who specializes in silent kills. Deadly, but expensive.
- ◆ ㄚ'Reaper Squad' – A small independent Hunter team. Strong, but unpredictable.
- ◆ ㄚ'Mira Vaughn' – A former healer turned combat medic. Not a fighter, but she'll keep you alive.

🔥 You can only choose one. Who do you recruit, Joel?

Action Chosen: Recruit Mira Vaughn – The Combat Medic

🔥 Fighting is one thing—but if you go down, you need someone to get you back up.

You turn to Naomi.

Joel: *"Tell me about Mira."*

Naomi **hesitates**.

Naomi: *"She used to be one of the best healer-class Hunters. Saved a lot of lives."*

Dante **raises an eyebrow**.

Dante: *"Used to be?"*

Naomi **nods grimly**.

Naomi: *"She walked away from the Hunter Association two years ago. Said she was done healing people who didn't deserve saving."*

💀 That means she has history with them. That means she has a reason to fight.

🔥 You need her.

🔑 TRACKING MIRA VAUGHN – THE EX-MEDIC

🔑 Naomi pulls up an address.

- ◆ Location: An old clinic in the Bronx.
- ◆ Status: Off-the-grid, treating underground Hunters.
- ◆ Warning: She might not want to see you.

Dante **grins**.

Dante: *"Sounds like a challenge."*

Naomi **shakes her head**.

Naomi: *"No. It sounds like she'll shoot us if we walk in uninvited."*

💀 Mira Vaughn doesn't trust easily. If you want her on your side, you need the right approach.

HOW DO YOU CONVINCE HER TO JOIN?
