

Dante: *"The Association's been real busy lately."*

Undertaker **raises an eyebrow.**

Undertaker: *"They're always busy. Nothing new."*

Dante **tilts his head.**

Dante: *"Yeah? Fake dungeon breaks. Hunters going missing. Old names resurfacing."*

💀 The moment he says 'old names,' Undertaker stiffens.

His **cybernetic fingers tighten around his glass.**

🔥 You got his attention.

PUSHING FURTHER – WHAT NEXT?

1 **Say Graves' Name Directly** – Force a reaction.

2 **Play It Subtle** – See how much he's willing to admit first.

3 **Drop Hints About Kain** – See if he connects the dots himself.

💀 How do you push him, Joel?

Action Chosen: Play It Subtle

🔥 If you push too hard, he might shut down. Let him come to the truth on his own.

Dante **leans back, swirling the drink in his hand.**

Dante: *"Been hearing some strange things lately. Hunters showing up where they shouldn't. Names that were supposed to be buried."*

Undertaker **doesn't react at first.**

But then—you **see it.** A slight twitch in his jaw.

💀 He knows exactly what you're talking about.

Undertaker (gruffly): "...You don't wanna go digging, Dante."

Dante **smirks**.

Dante: "Oh, but I do."

🔥 **Now's the moment. One more push.**

FINAL CHOICE – GETTING HIM TO TALK

1 **Say Graves' Name Now** – Direct hit, no more games.

2 **Tell Him You're Already in It** – Show that you're past the point of no return.

3 **Offer Him a Favor** – Hunters don't give info for free. Trade something.

Action Chosen: Tell Him You're Already in It

🔥 **If Undertaker thinks he's warning you off, he's wrong. You're already in too deep.**

You **lean forward, meeting his gaze**.

Joel: "We're not 'digging,' Undertaker. We're already buried in this."

His **cybernetic fingers pause mid-tap**.

Joel: "We took down one of their fake dungeon sites. We exposed their experiments. And now? We're the ones being hunted."

💀 **Silence. Heavy. Tense.**

Undertaker **exhales slowly**.

Undertaker: "...Then you already know about Graves."

🔥 There it is.

Dante **grins**.

Dante: “*Knew you’d come around.*”

WHAT UNDERTAKER REVEALS

- ◆ Vincent Graves was one of the strongest Hunters the Association ever had.
- ◆ Two years ago, he entered an S-Rank dungeon—and never came back.
- ◆ The official report? He was declared *dead in action*.
- ◆ The truth? The Association recovered his body—but not his mind.
- ◆ Undertaker heard whispers of an “experiment.” Something that changed him.

💀 Graves didn’t just survive. He was *turned* into something else.

🔥 And now, he’s working for Kain.

NEXT MOVE – WHAT NOW?

1️⃣ **Ask Where Graves Is Now** – If he’s alive, he has to be *somewhere*.

2️⃣ **Find Out What ‘Changed’ Him** – What did the Association do to him?

Action Chosen: Ask Where Graves Is Now

🔥 If Graves is alive, he has to be somewhere.

You **watch Undertaker carefully**.

Joel: “*Where is he?*”

Undertaker **shakes his head.**

Undertaker: *"If I knew that, I'd be dead already."*

Dante **clicks his tongue.**

Dante: *"Tch. You don't know, or you don't want to say?"*

Undertaker **exhales sharply.** His cybernetic hand tightens around his glass, his jaw clenching like he's remembering something he **doesn't want to say out loud.**

💀 **Then, finally—he speaks.**

Undertaker: *"I don't know his exact location. But I know where his ghost still lingers."*

🔥 **He pulls out a crumpled map and taps a spot near the outskirts of the city.**

📍 **OLD MILITARY FACILITY – HUNTER ASSOCIATION BLACK SITE**

💠 **Abandoned, officially.**

💠 **Off-the-books experiments happened there.**

💠 **It was shut down—right around the time Graves 'died.'**

Undertaker: *"If you want to know what happened to Graves, start there."*

💀 **The truth about Vincent Graves lies in the ruins of the past.**

NEXT MOVE – WHAT NOW?

📍 **Head to the Facility Immediately** – No time to waste. If Graves left a trail, you need to follow it.

🛡️ **Prepare for Heavy Resistance** – If this was a black site, it might still be guarded. Gear up first.

🔍 **Try to Find Another Lead on Graves** – Maybe there's a safer way to confirm his whereabouts before diving in.

Action Chosen: Head to the Facility Immediately

🔥 If Graves left a trail, you need to follow it *now*.

You **grab the map from Undertaker**, memorizing the location.

Joel: *"We're going."*

Dante **grins**, rolling his shoulders.

Dante: *"About time. Sitting around makes me antsy."*

Naomi **looks less excited**.

Naomi: *"You realize this place was shut down for a reason, right? If the Association buried it, whatever's inside... we might not want to find it."*

Mira **loads a magazine into her sidearm**.

Mira: *"And if Graves is there, you'll want me around."*

💀 Decision made. You move.

🔑 OLD MILITARY FACILITY – HUNTER ASSOCIATION BLACK SITE

One hour later.

🔑 **LOCATION:** Outskirts of New York – Abandoned Hunter Association Facility

The facility **rises out of the dead landscape like a grave marker**.

- ◆ Rusting fences, partially collapsed.
- ◆ Security cameras—broken.
- ◆ No lights. No movement.

🔥 It looks abandoned. But you don't believe that for a second.

Dante **glances around**, hand on his knife.

Dante: *"Well? How do we play this, rookie?"*

INFILTRATION PLAN – CHOOSE YOUR ENTRY STRATEGY

❑ **Go In Stealthy** – No alarms, no noise. Slip in undetected.

🔪 **Force Entry & Clear the Area** – A direct approach, but no surprises.

🔍 **Scout the Perimeter for Intel First** – Look for clues before entering.

Action Chosen: Go In Stealthy

🔥 **No alarms. No noise. Just shadows and silence.**

You **glance at Dante, Naomi, and Mira.**

Joel: *"We slip in, quiet and clean. No one knows we're here."*

Dante **grins.**

Dante: *"Now you're speaking my language."*

Naomi **pulls up her tablet.**

Naomi: *"No active power sources. If there are defenses, they're not running on the grid."*

Mira **checks her weapon, nodding.**

Mira: *"Let's move before I change my mind about this."*

💀 **You move.**

🔑 **INFILTRATING THE BLACK SITE – STEALTH MODE**

👉 **You lead the way, moving like a ghost.**

📌 **Objective: Locate Evidence on Vincent Graves.**

💠 **You slip past rusted fences.**

💠 **Dante scouts ahead, watching for movement.**

- ◆ Naomi keeps a map of the facility ready.
- ◆ Mira covers the rear, watching for threats.

🔥 No guards. No signs of life. Just eerie silence.

Then—you find an **entry point**.

🔑 A half-collapsed loading bay, leading into the underground.

💀 Whatever secrets are left here... they're buried below.

NEXT MOVE – CHOOSING YOUR PATH INSIDE

1 Enter Through the Loading Bay – Direct access to storage and records.

2 Look for a Ventilation Shaft – A quieter way in, but riskier if unstable.

3 Find the Main Office Entrance – The front door might hold key information.

Action Chosen: Look for a Ventilation Shaft

🔥 A front door is a trap. A loading bay is too exposed. If you want to stay hidden, you take the airways.

You **scan the walls carefully**, looking for maintenance access.

💀 There.

🔑 A rusted ventilation shaft—just wide enough to crawl through.

Dante **grins, patting the metal**.

Dante: *"Classic rogue move. Tight squeeze, but it'll work."*

Naomi **rolls her eyes**.

Naomi: *"Of course it's the vents. It's always the vents."*
