Action Chosen: Break Into the Club's Security Room

🔥 **If Kain is meeting someone, you need to know who.**

Instead of **rushing in blind**, you'll **control the club's eyes and ears**.

You **turn to Naomi**.

Joel: *"Can you get us into their security feed?"*

She smirks.

Naomi: *"Please. Give me ten minutes and a decent Wi-Fi signal."*

Dante **grins**.

Dante: *"I like this plan."*

🔑 **THE EMBER ROOM – SECURITY INFILTRATION**

👉 You move as a team.

💠 Dante and Naomi wait in a back alley, keeping watch.

💠 You move toward the side entrance, eyes scanning for threats.

🚪 The club's security room is inside—but locked.

💀 **TIME FOR ENTRY – CHOOSE YOUR METHOD.**

🔓 **Pick the Lock** – Classic rogue style. Silent but slow.

🔓 **Take Out a Guard & Steal a Keycard** – Risky, but guaranteed access.

🔧 **Social Engineer Your Way Inside** – Pretend to be a club technician.

Action Chosen: Pick the Lock

🔥 **Silent. Clean. No unnecessary risks.**

You **kneel by the door**, pulling out a **lockpicking set** from your gear.

💀 **Standard security lock. Cheap. Too easy.**

You **slide in the pick**, feeling for the pins.

💠 **One click.**

💠 **Two.**

💠 **Three—done.**

🚪 **The door unlocks with a faint *click*.**

👉 **You slip inside, closing it softly behind you.**

🔑 **INSIDE THE SECURITY ROOM – THE EMBER ROOM**

💠 **Dimly lit. Smells like stale coffee and sweat.**

💠 **A wall of monitors—showing every inch of the club.**

💠 **Two guards sit at a desk, watching the screens.**

💀 **They haven't seen you yet.**

🔥 **You need control of the system—fast.**

HOW DO YOU HANDLE THE GUARDS?

🔪 **Knock Them Out Quietly** – No loose ends.

2 **Distract Them & Let Naomi Hack Remotely** – Keep them busy while she works.

3 **Bluff & Pretend to Be Security Staff** – Buy time without violence.

🔥 **Your move, Joel.**

Action Chosen: Knock Them Out Quietly

🔥 **No witnesses. No noise.**

You **move like a shadow.**

☞ **First target—closest to you.**

You **step behind him, wrapping an arm around his throat—tight. Precise.**

💀 **He struggles, but only for a few seconds. Then—his body goes limp.**

The second guard **hears something—**

Guard #2: “Huh?”

Too late.

🔥 **You lunge forward, striking his temple—hard.**

💥 **THUD.** He slumps over the desk, unconscious.

💀 **Security neutralized.**

HACKING INTO THE SYSTEM

💻 **You drag the bodies aside and wave Naomi in.**

She **slides into a chair, cracking her fingers before typing fast.**

- ◆ **Cameras? Hacked.**
- ◆ **Audio feeds? Tapped.**
- ◆ **Guest lists? Pulled.**

Then—**she pauses.**

Her face goes pale.

Naomi: “...*Oh, shit.*”

Joel: “*What?*”

She **turns the screen toward you.**

💀 **Elias Kain isn’t meeting just anyone tonight.**

🔥 **He’s meeting someone the Association declared dead.**

📄 **NAME: VINCENT GRAVES**

📄 **STATUS: DECEASED – TWO YEARS AGO**

💀 **Someone who should not be alive.**

Dante **leans over your shoulder, reading. His jaw tightens.**

Dante: “*Rookie... we just walked into something way bigger.*”

🔥 **The game has changed.**

Action Chosen: Stay Hidden & Spy on the Meeting

🔥 If Vincent Graves is alive, you need to know why.

You turn to Naomi.

Joel: *"Can you get audio on their meeting?"*

She's already typing.

💻 Tapping into the club's VIP lounge feeds...

💠 Camera online.

💠 Audio active.

🔥 You're in.

🔑 VIP LOUNGE – THE EMBER ROOM

The screen shows a dimly lit private lounge.

Sitting at a round table:

💀 Elias Kain – Hunter Association Director. Calm, professional, dangerous.

💀 Vincent Graves – Supposedly **dead**. His face is partially **scarred**, but his eyes burn with something worse than anger.

They are alone. Talking.

🔊 AUDIO FEED ACTIVATED.

WHAT YOU HEAR

Vincent Graves (low voice): *"You said we were done with this."*

Elias Kain (calmly): *"Things changed."*

Vincent: *"You dragged me back from the dead for this?"*

Elias: *"We need another test run."*

🔥 **Test run? Of what?**

Vincent **leans forward. His voice darkens.**

Vincent: **"You don't get it, do you? Those dungeons weren't breaking. They were *evolving*."*

💀 **Evolving dungeons?**

Kain **adjusts his tie, unfazed.**

Elias Kain: *"You lost control last time. I assume you won't make the same mistake twice."*

🔥 **Something is seriously wrong.**

NEXT MOVE – HOW DO YOU HANDLE THIS?

❑ **Keep Listening** – You don't have the full picture yet.

🔒 **Record the Conversation** – Proof like this could expose them.

✂️ **Cut the Audio & Get Ready to Intervene** – This might be your only chance to stop them.

🔥 **This is evidence. Proof.**

If you try to **take them down now**, they'll cover it up. But if you have **a recording?**

💀 **The Hunter Association can't ignore this.**

You **nod to Naomi.**

Joel (whispering): *"Record everything."*

Her fingers **fly across the keyboard.**

📁 **AUDIO RECORDING – ACTIVE.**

🔴 (LIVE RECORDING: 00:02:31...)

BACK TO THE MEETING – WHAT ELSE YOU HEAR

Vincent **exhales sharply**. He's tense—angry—but **not afraid**.

Vincent Graves: *"You want another test? Fine."*

Vincent: *"But this time, when it goes wrong, I'm not cleaning up your mess."*

🔥 **Another test. They're planning something.**

Kain **smiles slightly**.

Elias Kain: *"You always say that. And yet, here we are."*

🔥 **This isn't their first cover-up.**

Naomi **mutters under her breath**.

Naomi: *"I knew it... They're behind the fake dungeons."*

💀 **And they're about to do it again.**

NEXT MOVE – HOW DO YOU USE THIS INFORMATION?

📄 **Keep Recording & See What Else They Reveal** – Stay patient. The more you have, the better.
