🔥 **You're officially en route to Omega Facility.**

💀 **Time to break into the lion's den.**

🔑 NEXT STEP – FINAL APPROACH TO OMEGA FACILITY

🔷 **1️⃣ Act Natural & Drive In Without Suspicion** – Best for stealth, but if they ask questions, you're in trouble.

🔷 **2️⃣ Create a Fake Emergency to Get Inside Faster** – Higher risk, but they'll rush you through security.

🔷 **3️⃣ Find an Alternate Entry Point Last Minute** – Ditch the convoy and slip in through another way.

🔥 **Final approach, Joel. What's your call?**

Action Chosen: Act Natural & Drive In Without Suspicion

🔥 **The best disguise is confidence. If you act like you belong, they won't question it.**

You **settle into the front passenger seat, keeping your posture relaxed but alert.**

Dante **drives the lead supply truck, his grip casual on the wheel.**

Naomi **sits beside you, glancing at the forged ID codes.**

Mira **rides in the back with Graves—disguised as a sedated test subject.**

💀 **Now comes the real test.**

🔑 ARRIVAL AT OMEGA FACILITY – SECURITY CHECKPOINT

🚚 **The convoy rumbles down a hidden access road, leading underground.**

📍 **Massive reinforced doors loom ahead—guarded by armed Hunters in high-grade armor.**

🚨 **SECURITY:** *"Bravo-7, state your cargo and clearance."*

🔥 **Naomi hands you the fake manifest.**

Joel (calmly): *"Medical and research supplies. One high-priority subject for transfer."*

💀 **The guard scans the forged documents.**

🚨 **SECURITY:** *"Your check-in was late."*

Dante **leans out of the driver's side, shrugging.**

Dante: *"Scanner issues at the last stop. Had to reboot."*

💀 **The guard hesitates.**

His **visor glows red as he scans the vehicle—then glances toward the back.**

🔥 **Your heart pounds. If he asks to check inside…**

Then—**the gate unlocks.**

🚨 **SECURITY:** *"Proceed. You're behind schedule."*

💀 **You're in.**

🔑 INSIDE OMEGA FACILITY – NEXT STEP

🚚 **The trucks roll into a massive underground facility, blending in with other arriving shipments.**

📜 **STATUS: INFILTRATION SUCCESSFUL**

🚨 **But now comes the real challenge—finding Kain's secrets without getting caught.**

YOUR NEXT MOVE – HOW DO YOU PLAY THIS?

🔷 **1️⃣ Locate the Research Servers & Hack the Data** – Get evidence on Project Echo & what they did to Graves.

🔷 **2️⃣ Explore the Restricted Labs for Physical Proof** – See what experiments are still active.

◆ 3️⃣ **Sabotage the Facility's Power Systems** – Cause chaos and use it as cover to search.

💀 **You're deep in enemy territory. What's your move, Joel?**

Action Chosen: Locate the Research Servers & Hack the Data

🔥 **Taking down Kain isn't just about force—it's about *proof*.**

If you can extract **data on Project Echo**, you expose him **to the entire Hunter Association.**

💀 **Time to find the servers.**

🔑 OMEGA FACILITY – MOVING INTO POSITION

🚛 **Your convoy parks in a storage bay. Security is light—no one suspects a thing.**

Joel (whispering): *"Naomi, where's their data center?"*

Naomi **glances at her tablet, scanning stolen blueprints.**

💻 **LOCATING RESEARCH SERVERS…**

📍 **SUBLEVEL 3 – RESTRICTED ACCESS AREA**
◆ **High-security clearance required**
◆ **Guards stationed at all access points**
◆ **All data is stored on an isolated network**

Naomi **mutters under her breath.**

Naomi: *"Figures. Can't just walk in and download a file."*

🔥 **You need a way inside—fast.**

🔑 INFILTRATION OPTIONS – HOW TO REACH SUBLEVEL 3?

◆ 1️⃣ **Steal an Access Card from a Researcher** – Low risk, but takes time.

◆ 2️⃣ Pose as Security Escorting a 'Prisoner' (Graves) – Risky, but gets you inside faster.

◆ 3️⃣ Cause a Distraction & Slip In While Security is Busy – Creates chaos, but unpredictable.

Action Chosen: Cause a Distraction & Slip In While Security is Busy

🔥 If security is occupied, no one will notice you slipping into Sublevel 3.

You **turn to Dante.**

Joel: *"We need a distraction. Something big."*

Dante **grins, already thinking.**

Dante: *"Oh, I can make something real loud."*

Naomi **sighs, rubbing her temples.**

Naomi: *"I hate when you say that."*

💀 But you need chaos. And Dante? He's an expert in chaos.

🔑 SETTING UP THE DISTRACTION

Dante **scans the loading area, spotting a fuel storage bay.**

💥 **Flammable. Explosive. Perfect.**

Dante: *"Give me two minutes."*

🔥 **You and the others move toward a nearby maintenance corridor—waiting.**

👉 **Behind you, Dante vanishes into the shadows.**

📜 **STATUS: DISTRACTION INCOMING…**

�� SECURITY RESPONSE – CHAOS BEGINS

🚨 Suddenly—

💥 BOOM!

🔥 An explosion rocks the facility, shaking the walls.

🚨 ALARMS BLARE. RED LIGHTS FLASH.

Security radios erupt with chatter.

Guard: *"What the hell was that?!"*

Command: *"Fire in Sector 2! All units respond!"*

💀 Bingo.

🔎 INFILTRATING SUBLEVEL 3

👈 While security rushes to the explosion, you move—fast.

🔷 Naomi leads with stolen blueprints.
🔷 Mira keeps an eye out for patrols.
🔷 Graves, still weak, moves silently at your side.

📍 A stairwell leads down to the restricted level.

🚨 One guard remains at the entrance.

💀 Not many—but still a threat.

🔎 FINAL CHOICE – HOW DO YOU HANDLE THE LAST GUARD?

🔷 1️⃣ Silent Takedown – Take him out fast before he raises an alarm.

🔷 2️⃣ Bluff Your Way Through – Act like you belong and walk right past.

🔷 3️⃣ Lure Him Away – Make him leave his post so you can slip in.

🔥 **Final obstacle before the servers, Joel. What's your move?**

Action Chosen: Lure Him Away

🔥 **No need for unnecessary fights. If you can make him *move*, you can slip right in.**

You **turn to Naomi.**

Joel (whispering): *"Can you fake an alert on his radio?"*

Naomi **grins, already tapping into the security network.**

💻 **OVERRIDING LOCAL RADIO FREQUENCY…**

🚨 **GUARD RADIO:** *"All units, report to Sector 2 immediately! Possible intruders!"*

💀 **The guard stiffens, pressing his earpiece.**

Guard (muttering): *"Sector 2? That's—"*

🔥 **He hesitates… then curses and jogs down the hall, leaving his post.**

Dante (whispering): *"Too easy."*

🔥 **You're in.**

🔑 ENTERING SUBLEVEL 3 – RESEARCH SERVERS LOCATED

👉 **You slip into the restricted lab, the heavy security door shutting behind you.**

🔦 **Inside, a cold, sterile room lined with massive servers hums softly.**

Naomi **moves to the nearest terminal, fingers flying over the keyboard.**

💻 **ACCESSING CLASSIFIED DATA…**

📜 **PROJECT ECHO – RESTRICTED FILES DETECTED**

💀 **You've found what you came for.**

💡 NEXT STEP – HOW DO YOU HANDLE THE DATA?

🔷 **1 Download Everything & Wipe the System** – Steal the evidence and erase all traces.

🔷 **2 Copy the Data & Leave It Intact** – Take what you need without making them suspicious yet.

🔷 **3 Leak the Files Directly to the Public** – No hiding, no games—expose Kain *now.*

🔥 **This is the moment, Joel. What's your move?**

Action Chosen: Leak the Files Directly to the Public

🔥 **No more secrecy. No more shadows. You're exposing Kain *now.***

Naomi **pauses mid-typing, eyes wide.**

Naomi: *"…Wait. You're serious?"*

Joel: *"Send it. Everything."*

Dante **grins.**

Dante: *"Hah! No turning back now."*

💻 **NAOMI INITIATING MASS DATA LEAK…**

📜 **PROJECT ECHO FILES – UPLOADING TO PUBLIC SERVERS**
📜 **SENDING TO INDEPENDENT JOURNALISTS, HUNTER GUILDS, AND UNSECURED NETWORKS…**

🚨 **WARNING – FACILITY SYSTEMS DETECTING UNAUTHORIZED UPLOAD**

💀 **Omega Facility just realized what's happening.**

Mira (tense): *"We need to move—now."*

🔥 **But it's done. The world knows.**
